

TENTERFIELD ENDURANCE RIDING CLUB RIDE BASE FACILITIES

Our camping grounds are suitable for motorbike riders, tents, RV, caravan and campers, horse riding clubs and float camping. The grounds can be accessed by 2WD, however in wet conditions 4WD is recommended. Dogs under control are permitted. We ask that visitors remove all rubbish, including horse and dog droppings. Gas is not provided for the BBQ, so please BYO bottle. Water is available however it is recommended that campers bring their own drinking water. Horses should be contained with electrified temporary fencing within the camp site area. Motor bike riding is NOT PERMITTED within the ride base area, except to directly access your campsite.

The campsite is maintained by volunteers from our riding club. Please respect our grounds and report any damage via [email](mailto:2372terc@gmail.com) (2372terc@gmail.com)
